Evening News

Dear Mr Elliott:

In The News, Jan. 30th, you have a story under the caption "Signed with Royals, Negro Pitcher says" which I am sure will be very misleading to your readers. I know you would not like that.

The story would give the fans the impression Johnny Wright was obtained from the New Orleans League by Montreal. He was obtained from The New Orleans sandlot league in 1937 by The Newark Eagles. He has been in The Navy for the last two years, and prior to that was the property of The Homestead Grays of The Negro National League for four years.

I am writing you because I know The News would not knowingly print any misleading stories.

Very Truly Yours
